Explanations

English Language (Basic Knowledge)

Q.1 · Answer (D) As many as

'Children' can be counted, so the phrase is 'as many as'; 'as much as' goes with uncountable nouns: 'As many as a hundred children gathered to celebrate Independence Day.'

Q.2 · Answer (C) damaging

'Making scars upon the land' describes harm, so humans have been 'damaging' the earth.

Q.3 · Answer (A) Very common

Something 'a dime a dozen' is very common, and so of little value.

Q.4 · Answer (B) Lazy person

A 'couch potato' is a lazy person who spends a great deal of time sitting and watching television.

Q.5 · Answer (B) which

After the preposition 'by', a thing is referred to with 'which': 'the means by which we tell each other of our emotions'. 'That' cannot follow a preposition.

Q.6 · Answer (B) immeasurable

'Immeasurable' (too great to be measured) good is set against the 'terrible injuries' words can also cause; 'numerable' and 'countable' say the opposite.

Q.7 · Answer (B) when

The clause gives the moment of the progress: it was progress 'when' the deed became word.

Q.8 · Answer (B) originally

The passage has just said the deed came first and the word later; 'originally' (in the beginning) the word was a spell, a magical act.

Q.9 · Answer (D) has retained

'It' is singular, and the present perfect 'has retained' links the word's magical beginnings to now: it still keeps much of that power, as the passage's opening ('a mighty instrument') says. The simple past 'retained' would leave the keeping in the past, 'have retained' needs a plural subject and 'will retained' is ungrammatical.

Q.10 · Answer (A) Embezzle

To 'embezzle' is to steal or misappropriate money placed in one's trust.

Q.11 · Answer (C) to the training

Techniques are used 'in' training, not 'to' it: 'often used in the training of police dogs'.

Q.12 · Answer (A) severe

'Severe' (harsh) describes the kind of punishment rule breakers deserve. 'Many' needs a plural noun, 'too' cannot qualify a noun, and 'much' speaks of quantity where the sense calls for how harsh the punishment is.

Q.13 · Answer (A) Bold

'Timid' means lacking courage; its opposite is 'bold'.

Q.14 · Answer (D) Respectfull

The suffix '-ful' has one 'l': 'respectful'.

Q.15 · Answer (B) Integrate

To 'integrate' is to combine parts into a whole; 'scatter' and 'disjoin' mean the opposite.

Q.16 · Answer (B) As long as

'As long as' (for as long a time as) sets the condition: as long as you behave like this, the decision against you cannot be revoked. 'So much as' means 'even' ('without so much as a word'), and 'As long to' and 'As much to' are not English.

Q.17 · Answer (B) DCBA
D (Johnny's accident) leads to C (the damaged car sent for repairs), then B (so he takes the metro) and A (at the station he notices a homeless man): DCBA.

Q.18 · Answer (A) My bike was repaired by the mechanic.
The simple past 'repaired' becomes 'was repaired': 'My bike was repaired by the mechanic.'

Q.20 · Answer (A) Crafty
'Insidious' means harmful in a gradual, sly way, so 'crafty' is closest. 'Benevolent' and 'sincere' are near opposites.

Q.21 · Answer (B) Vishnu said that he was going to the theater that evening.
After 'said', 'I' becomes 'he', 'am going' becomes 'was going' and 'this evening' becomes 'that evening'.

Q.22 · Answer (A) ACDB
A introduces the boy and his work, C says he grew bored, D says talking to the dogs was all he could do against the boredom, and B ('However') adds that his talk never made them happy: ACDB.

Q.23 · Answer (B) handing to us.
After 'to be' the passive needs the past participle: 'to simply be handed to us'.

Q.24 · Answer (C) Enthusiastic
'Disillusioned' means disappointed after losing one's hopes or ideals; its opposite is 'enthusiastic'. 'Disappointed', 'embittered' and 'soured' are near synonyms.

Q.25 · Answer (A) Untiring
'Diligent' means hard-working and persevering, so 'untiring' is closest. 'Lethargic', 'weary' and 'inattentive' are near opposites.
