Explanations

English Language (Basic Knowledge)

Q.1 · Answer (C) Gallary

The correct spelling is 'gallery', with an 'e'.

Q.2 · Answer (D) All the warships of the enemy were easily pulled by Gulliver after him.

The object 'all the warships of the enemy' becomes the subject, and the simple past 'pulled' becomes 'were pulled', plural to agree with it: 'All the warships of the enemy were easily pulled by Gulliver after him.'

Order is 'restored', brought back, after a disturbance. Things that are broken are repaired or rebuilt, and 'recovered' does not go with order.

The sentence is correct: 'he' is the subject of both the opening phrase 'After switching off the light' and the main clause, and 'the light' is a particular one.

Q.24 · Answer (D) Save
