Explanations

English Language (Basic Knowledge)

Q.1 · Answer (B) CBDA

C introduces the film, B says what it is about (a sensitive boy in a tough world), D says he learns that his supposedly dead father is alive, and A says he leaves home to find him: CBDA.

Q.2 · Answer (A) Liason

The word is spelt 'liaison', with an 'i' on both sides of the 'a'.

Q.4 · Answer (A) Was he informed about the ticket cancellation by you?

The object 'him' becomes the subject 'he', and the simple past question 'Did you inform' becomes 'Was he informed ... by you?'

Q.5 · Answer (B) give

After the modal 'can' the verb takes its base form: 'no standard advice one can give to parents'.

Q.6 · Answer (B) be provided

Guidelines are provided by someone, so the verb is passive, and after the modal 'may' it takes the base form: 'Some guidelines however, may be provided.'

Q.7 · Answer (B) of

The phrase is 'a way of doing something': 'there is no one way of bringing them up'.

Q.8 · Answer (A) an

'Individual' begins with a vowel sound, so it takes 'an': 'treated as an individual'.

Q.9 · Answer (C) personality

A noun is needed to pair with 'intelligence': heredity matters 'both for intelligence and personality'. 'Personal' is an adjective, 'personnel' means staff and 'personalise' is a verb.

Q.10 · Answer (A) The minister said that it was tragic that the Australian bush fires had claimed the lives of so many helpless animals.

After the past-tense 'said', 'is' becomes 'was' and the present perfect 'have claimed' becomes the past perfect 'had claimed'.

Q.11 · Answer (D) appalling

High-rise buildings with slums just behind them make a shocking contrast: 'appalling'. 'Interesting' is too neutral for such inequality, and 'comforting' and 'laudable' (praiseworthy) contradict the sense.

Q.12 · Answer (A) To pretend to be happier or richer so as to conceal the real situation

To 'keep up appearances' is to go on pretending that all is well, or that one is better off than one is, to hide the real state of affairs.

Q.13 · Answer (D) line up

'Line up' replaces 'lines': a singular noun must follow 'a', and a line-up is a set of events or performers arranged for an occasion ('a wonderful line-up of plays'). The sheet's underline also takes in 'of', which the options leave out.

Q.14 · Answer (B) begun his career as an actor

The simple past of 'begin' is 'began'; 'begun' is the past participle and needs 'has' or 'had': 'Mani Kaul began his career'.

Q.15 · Answer (B) Within a very short period of time

'In the blink of an eye' means in a moment, very quickly.

Q.16 · Answer (A) No improvement

The sentence is correct: '2020', a single year, takes the singular 'is', and 'is going to' states what is expected to happen. 'Will going' is not English, and 'were' and 'are' are plural.

Q.17 · Answer (A) inciting
To 'incite' violence is to stir people up to it, which a politician can be held responsible for.

Q.19 · Answer (C) Outsider
A 'compatriot' is a fellow citizen of one's own country; its opposite is 'outsider'. 'Brethren' and 'countryman' are near synonyms.

Q.20 · Answer (A) Deranged
'Deranged' means mentally disturbed, unable to think or behave normally. 'Eccentric' and 'whimsical' mean odd or fanciful, and 'balanced' is the opposite.

Q.21 · Answer (D) DACB
D sets out the emperor's routine (leaving on horseback at 3 a.m.), A says who went with him, C where they all went, and B what he did at dawn: DACB.

Q.22 · Answer (D) Ratan Tata take across the reins of the company
'Take' does not agree with the singular 'Ratan Tata', and the phrase is 'take over the reins', not 'take across': 'Ratan Tata took over the reins of the company'.

Q.23 · Answer (B) Worsen
To 'deteriorate' is to become worse: 'worsen'. 'Improve' is its opposite.

Q.24 · Answer (D) Depressed
'Despondent' means low in spirits and without hope: 'depressed'. 'Cheerful' and 'energetic' are near opposites.

Q.25 · Answer (A) Probationer
A probationer is someone serving a trial period in a new job. A petitioner makes a formal request, and a practitioner practises a profession such as medicine or law.

General Awareness

Q.1 · Answer (B) John McCarthy
John McCarthy designed LISP at MIT in 1958; he also coined the term 'artificial intelligence'. Grace Hopper is known for her work on COBOL and Leslie Lamport for LaTeX.

Q.2 · Answer (C) Rohit Sharma
Rohit Sharma played his 100th T20 international against Bangladesh at Rajkot in November 2019, the first Indian man to reach the mark.

Q.3 · Answer (C) 1896
The first modern Olympic Games were held in Athens in 1896.

Q.5 · Answer (A) Kiren Rijiju
In February 2020 Kiren Rijiju was the Minister of State (Independent Charge) for Youth Affairs and Sports, a post he held from May 2019 to July 2021.

Q.6 · Answer (D) Sunil Arora
When the exam was held (October 2020), Sunil Arora, in office since December 2018, was the 23rd Chief Election Commissioner; Sushil Chandra succeeded him in April 2021.

Q.7 · Answer (B) Article 23
Article 23 prohibits traffic in human beings, begar and other forms of forced labour. Article 25 deals with freedom of religion, Article 13 with laws inconsistent with fundamental rights, and Article 5 with citizenship at the commencement of the Constitution.

Q.8 · Answer (A) Parallels of Latitude
Parallels of latitude are the circles drawn parallel to the Equator, growing smaller towards the poles. The Tropic of Cancer and the Arctic and Antarctic Circles are particular parallels.

Q.9 · Answer (B) Elephanta
Elephanta Island lies in Mumbai Harbour, off the west coast. Pamban Island lies off Tamil Nadu between Palk Bay and the Gulf of Mannar, the Parikud islands are in Chilika Lake in Odisha, and Sriharikota is on the Andhra Pradesh coast: all on the east.

Q.10 · Answer (D) Amitabh Bachchan
Amitabh Bachchan received the Dadasaheb Phalke Award for 2018 from President Ram Nath Kovind in December 2019. Shashi Kapoor, Manoj Kumar and Vinod Khanna (posthumously) received it for 2014, 2015 and 2017.

Q.11 · Answer (A) Laho
Laho is a dance of the Pnar (Jaintia) people of Meghalaya. Cheraw is from Mizoram, Dalkhai from Odisha and Rangma from Nagaland.

Q.12 · Answer (C) Jammu & Kashmir
The Baglihar Dam is a hydroelectric project on the Chenab in the Ramban district of Jammu and Kashmir.

Q.13 · Answer (B) Graphite
SSC's key gives graphite, a pure crystalline allotrope of carbon, as are diamond and the fullerenes. Coal is an impure fuel rather than a form of the element, and charcoal and lamp black are impure, amorphous carbon: some books list them as amorphous allotropes, but graphite is the only option that is a distinct allotrope.

Q.14 · Answer (D) Parushni
In the Rigveda the Ravi is called the Parushni; the Vitasta is the Jhelum, the Asikni the Chenab and the Shutudri the Sutlej.

Q.15 · Answer (C) Zozibini Tunzi
Zozibini Tunzi of South Africa won Miss Universe 2019, held in Atlanta in December 2019. Catriona Gray of the Philippines had won in 2018.

Q.16 · Answer (A) Bianca Andreescu
Bianca Andreescu of Canada won the 2019 US Open women's singles, beating Serena Williams in the final.

Q.17 · Answer (A) Fausta
Fausta, a black rhino believed to be the oldest rhino in the world, died in Tanzania's Ngorongoro Conservation Area in December 2019, aged 57. Suidae and Canidae are the scientific names of the pig and dog families.

Q.18 · Answer (B) Stomach
The gastric glands in the wall of the stomach release hydrochloric acid, along with pepsin and mucus; the acid makes the medium acidic, which pepsin needs to work.

Q.19 · Answer (C) Jammu and Kashmir
The National Saffron Mission, launched in 2010, supports saffron growers in Jammu and Kashmir, which grows nearly all of India's saffron, chiefly around Pampore.

Q.20 · Answer (A) Alamgir II
The Battle of Plassey was fought on 23 June 1757, when Alamgir II (1754-1759) was the Mughal emperor. Siraj-ud-Daulah was the Nawab of Bengal who lost the battle, Mir Qasim became Nawab later, and Shah Alam II succeeded Alamgir II in 1759.

Q.21 · Answer (B) Kerala
Kalamezhuthu is a ritual art of Kerala in which images of deities such as Bhadrakali are drawn on the floor with coloured powders.

Q.22 · Answer (D) 1992
The National Stock Exchange of India was established (incorporated) in November 1992. SEBI recognised it as a stock exchange in April 1993, and trading on it began in 1994.

Q.23 · Answer (B) Web Server

A web server stores web pages and delivers them to browsers over HTTP (Hypertext Transfer Protocol). A LAN and a WLAN are local networks, and WAP (Wireless Application Protocol) is a protocol for mobile access to the internet.

Q.24 · Answer (D) Christina Koch

In December 2019 Christina Koch passed Peggy Whitson's 288 days, setting the record for the longest single spaceflight by a woman (still hers when the exam was held, October 2020); she returned in February 2020 after 328 days aboard the International Space Station.

Q.25 · Answer (A) Astatine

Astatine is the rarest naturally occurring element in the earth's crust: it forms only in the radioactive decay of uranium and thorium, and all its isotopes are short-lived.
