Explanations

English Language

Q.1 · Answer (C) Plentiful

'Meagre' means scanty, too little; its opposite is 'plentiful'. 'Sparse' is close to a synonym.

Q.2 · Answer (D) Frail

'Slender' means thin and slight of build; of the options only 'frail', slight and delicate, comes close.

Q.3 · Answer (C) To be unsuccessful at eliciting a response

To 'draw a blank' is to get no response or result, as when a question or a search yields nothing.

Q.4 · Answer (D) Plagiarise

To 'plagiarise' is to pass off another person's work or ideas as one's own.

Q.5 · Answer (D) “Is French your mother tongue?” Kavi asked Gina.

A reported yes/no question ('asked … if') becomes a direct question with the verb before the subject, and the past 'was' returns to the present 'is': 'Is French your mother tongue?'

Q.6 · Answer (A) fallacy, subservient, symbiotic

A 'fallacy' is a mistaken belief: we wrongly assume that creation is 'subservient' (subordinate) to human interests, and this has cut our 'symbiotic' (mutually beneficial) relationship with the rest of creation.

Q.7 · Answer (C) inadequate, rigour
