| Q.19 **(A)** | Q.20 **(A)** | | | | |

## Explanations

### Part-D-English

**Q.1 · Answer (B) under the weather**

To be 'under the weather' is to feel slightly unwell, a reason to miss a picnic. 'As right as rain' means perfectly well, 'head in the clouds' lost in daydreams, and 'the calm before the storm' a quiet spell before trouble.

**Q.2 · Answer (A) I was born in the United States,**

Birth is a completed past event, so it takes the simple past passive 'was born', and the country's name keeps 'the' after 'in': 'I was born in the United States, yet I consider myself Indian.'

**Q.3 · Answer (C) Active**

'Sluggish' means slow and inactive; its opposite is 'active'. 'Lethargic' is close in meaning to 'sluggish'.

**Q.4 · Answer (B) medal**

A 'medal' is the award given at a ceremony. 'Metal', 'meddle' (interfere) and 'mettle' (courage) sound alike but mean different things.

**Q.5 · Answer (D) Protect**

To 'betray' someone is to be disloyal to them and expose them to harm; to 'protect' them is the opposite. 'Disloyal' is close to 'betray' in meaning, and 'sympathy' and 'adverse' are not its opposites.

**Q.6 · Answer (C) To be neat and clean**

'Spick and span' means neat, clean and well kept.

**Q.7 · Answer (D) Be first to do something important**

To 'blaze the trail' is to be the first to do something new and important, showing others the way.

**Q.8 · Answer (C) Honour**

A 'privilege' here is a special honour or advantage: meeting the magistrate was an 'honour'.

**Q.9 · Answer (D) Celestial objects are not visible to the naked eye.**

The correct spelling is 'celestial', meaning of the sky or outer space.

**Q.10 · Answer (C) Nyra have**

The singular subject 'Nyra' needs the singular auxiliary: 'Nyra has been taking dance classes this year.'

**Q.11 · Answer (D) Admire**

To 'cherish' is to hold dear and value highly; 'admire' (to regard with warm approval) is not an exact match but is the only option close to it. 'Condemn', 'abandon' and 'neglect' point the opposite way.

**Q.12 · Answer (C) frightened**

'Startled' means suddenly surprised or alarmed: 'frightened'.

**Q.13 · Answer (A) is to develop**

The singular subject 'the objective' takes 'is', and the aim of robotics is to 'develop' (build) smart machines, not to interrogate them: 'The objective of Robotics is to develop smart machines'.

**Q.14 · Answer (B) Triumphant**

'Trimphant' is misspelt: the word is 'triumphant', meaning joyful at a victory or success.

**Q.15 · Answer (D) rose**

'Rose' fits both blanks: the past tense of 'rise' (he rose to success) and the flower. 'Rise' is in the present tense, and 'got' and 'zenith' do not suit the flower.

**Q.16 · Answer (D) if**

The clause sets a condition for the advice 'get a dog', so it needs 'if', the pattern the next sentence repeats ('If you want a pet ...').

**Q.17 · Answer (C) at**
One looks 'at' a person: the horse 'looks straight at you', between the dog that looks up to you and the cat that looks down on you.

**Q.18 · Answer (A) on**
To 'look down on' someone is to regard them as inferior, which suits a cat that eyes you 'almost condescendingly'.

**Q.19 · Answer (A) fit**
To 'fit a description' is to match it.

**Q.20 · Answer (A) ever**
'Ever' means at any time: 'If you have ever looked closely at the cat'. 'Never' would contradict the observation that follows.
